

Uppgraderingsinfo för Mathcad 14 & 15 till Mathcad Prime

1)

Licensen behöver uppdateras. På PTC support hemsida (www.ptc.com/support) sköts administrationen av licensfiler. För detta krävs att du loggar in med ett aktivt PTC konto. För att skapa ett PTC konto se vår guide -

Guide skapa och uppgradera konto på PTC

Väl inloggad har man sedan möjlighet att administrera sin licenser. Välj Mathcad under rubriken licensing.

Configure new software

Har du köpt en helt ny licens välj detta alternativ för att konfigurera en licensfil.

Reconfigure software licenses

Ska du installera en befintlig Mathcad licens på en ny dator.

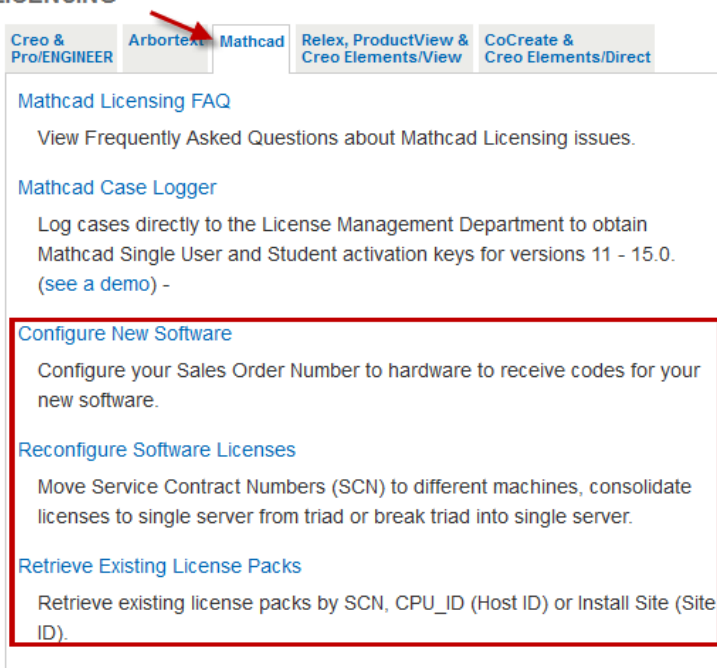

Retrive existing license packs

Uppdatera befintlig Mathcad licens till nyaste versionen .

Välj process efter behov för att erhålla er licens fil.
Se vår guide för licenshantering hos PTC för mer detaljer.

Guide PTCs licenshantering

LICENSING

A screenshot of the PTC Licensing page. The 'Arbortext' tab is selected, and a red arrow points to it. Below the tabs, there are several links: 'Mathcad Licensing FAQ', 'Mathcad Case Logger', 'Configure New Software', 'Reconfigure Software Licenses', and 'Retrieve Existing License Packs'. The 'Configure New Software' link and its description are enclosed in a red rectangular box.
